HALE

SUMMER CLUB

Hale Summer Club is pleased to offer a variety of passes. Our season passes offer all-inclusive flexibility and great value. Whether you decide to join us for the entire summer, take a two-week staycation, or make the most of mornings, nights, and weekends, we put the outdoors at your fingertips!

Season passholders enjoy unrestricted access to all of our activities, classes, and events, unlimited use of HSC during our pre- and post-seasons, and the convenience of parking decals: adults receive one, couples receive two, and families receive three (the third is available by request and may only be used by a caretaker, such as a nanny or au pair).
