# Tiny Turtles

**HALE**  
SUMMER CLUB

In Tiny Turtles, young children (who generally range in age from 6 weeks to 6 years old) are cared for by gentle staff members. They build sandcastles, work on coloring books, and participate in age-appropriate activities.

There are typically between two and 10 participants in Tiny Turtles at any given time. A large sandbox—conveniently located between the Lifeguard Shack, restrooms, and picnic areas—serves as their home base.

Caretaking is available most weekdays from 10 AM to 12 PM and 1 PM to 5 PM. It's also available by appointment from 5 PM to 6 PM for children of parents who wish to take advantage of adult sailing lessons in the late afternoon.
