**HALE**  
DAY CAMP

Hale Day Camp (HDC) offers a wide variety of summer camp experiences. From our **Traditional Camps** to our **Outdoor Adventure** and **Mountain Biking Camps** to our **Leaders in Training (LIT)** program for teens, we deliver a summer of fun for campers aged four and up! Whether your camper joins us for the entire season or just a few sessions, we'll fill their days with adventure and have them home in time for dinner.

We believe in the power of traditional camp activities in the great outdoors. Situated in a remote corner of Hale's 1,137 acres, our private campus features its own pond, lodge, athletic fields, and archery range where campers swim, hike, canoe, fish, learn arts and crafts, and more. HDC offers a safe place for campers to explore, make friends, and create memories that last a lifetime.

## Discounts, Financial Aid, and Payment Plans

Any sibling of a current camper is eligible for a \$25 **sibling discount** per session.

Your camper may qualify for **financial aid** if you are a parent or guardian who is:

- a K-12 teacher, teacher's aide, or student actively enrolled at a college or university
- a member of the military (Active Duty, Active Reserve, National Guard, or Veteran)
- single, or if your total household income meets certain criteria

See our website to learn more and apply. Applications will be available January 7.

Are you ready to register, but unable to pay in full by May 1? Camp may be paid for in multiple installments with a **payment plan**. All fees are due in full by the first day of whatever session your camper is enrolled in. Email Calder Akin at [cakin@halereservation.org](mailto:cakin@halereservation.org) to coordinate a plan.

## Tax Credits

In years past, the IRS made a **Child and Dependent Care Credit** available to working parents who needed to arrange for care of their children (under 13 years of age) during school vacations. The cost of day camp (but not overnight camp) could have been counted as an expense toward that credit, and the credit could have been up to 35% of qualifying expenses, depending on income. Parents could have claimed up to \$3,000 of unreimbursed expenses paid in a year for one qualifying individual, or \$6,000 for two or more qualifying individuals.

*Hale in no way claims that the IRS will make such a credit available again, and does not provide tax, legal, or accounting advice: this material is being provided for informational purposes only, and is not intended to provide, and should not be relied on for, tax, legal or accounting advice. You should consult your own tax, legal, and accounting advisors before engaging in any transaction.*
