

HALE

SUMMER CLUB

If you hear three whistles or thunder, return to the beach immediately.

Sign your boat out. Kids who have passed the Deep End Test must tell their guardians before going on a boat alone.

All boaters big and small must wear US Coast Guard Approved life jackets.

Paddles are great tools. Make sure you have the right one for your boat. Waving them back and forth means "I need help." Please do not use them to push off or splash others.

To protect your fingers and toes, keep them inside the boat.

Boat Type	# Passengers	Requirements
Canoe	4 (2 adults max.)	Kids under 13 must take the Deep End Test (DET) to go on boats without an adult. The DET consists of swimming 4 continuous lengths of front crawl (with side breathing, showing stamina) in the first enclosed bin, followed by treading water for 2 minutes.
